DC's Report

Hello Everyone and welcome to the September Rally Newsletter!

Thankyou to everyone who helped set up and pack up at our August rally, also to Damian for coming along and running the canteen. Also a big thankyou to Jasmine and Helen for running such a smooth theory session. It would be great if everyone could purchase their theory books and begin to work through them as it is a criteria of Pony Club.

A big congratulations to Alex Brennan for her results at the recent Doongala annual show jumping day!

Brenna has secured a date for the combine training day (November 14th). We will require all our members on board to make a successful day. A Volunteer list will be available at muster and would really appreciate if members can put their name down. I will also require a few helpers for our next rally. Anyone that would like to have a go at pencilling please email or call me before rally otherwise I will be looking for helpers on the day.

We held another Freshman's jumping round in August and was great to see some of our regulars as well as some new participants. It would be great to see some of our own club members come down for the day or assisting the committee with some of their time to come down and help us.

We are in the process of organizing a working bee we would like all members to please let us know which weekend would suit them to come down for an hour or more and help getting our grounds looking great. We are looking at either the 11th-12th September weekend or the 25th-26th September weekend, we will have a roster at muster for you to put your name down.

Looking forward to seeing you at the rally, please feel free to come and have a talk to me at anytime of the day, I love hearing all forms of feedback to make our club better.

Last but certainly not least it has been brought to my attention that a few members are pushing the boundaries and PCAV rules during our rallies, just a friendly reminder that Pony Club is there to have fun, be safe and please remember to respect each other and our wonderful instructors.

Regards Louise

SPPC NEWS

On the 15th of August I went to Doongala pony club's annual showjumping day. I competed in 3 events, which were one round championship (the fastest clear round is the winner), 2 round championship (if you get a clear round you go on to the next round and in the next round it's the fastest with a clear round who wins) and AM7 (if you get a clear round the judge will ring the bell and you go on to some more jumps that have been selected out). I came third in the 2 round championship but knocked one rail in the one round championship and the AM7. The day went from sunny to cloudy to lots of mud! It was a really good fun day. By Alex Brennan

*Please Contact Kellie Puddy if you have been to an event & would like it mentioned in the newsletter
kelliepuddy@gmail.com or 0420990190

Some of our SPPC members are in need for a lift to Pony Club each month, they require to be picked up and have their horse floated to and from Pony Club, if any of our members have a spare place in their float please contact any of the committee members and we will pass on the details to the members in need, thanks!

Kids CORNER

Our wonderful junior committee thought it would be a wonderful idea to set up a 'Kids Corner' within our newsletter. We will put the spotlight back on to our club members giving them a chance to be more involved. This month we have included a coloring in page which you can print out and color in and bring along to our next rally, these will then be displayed in our club rooms for all to see your wonderful work.

Each month the junior committee will choose a different theme for our members to participate in, it might be a story for you to write about your horse, a poem or even a word search, feel free to contact any of the junior committee if you have any ideas for future kids corner articles.
